

Cellpro 4s Charger Adapter Compatibility

For Cellpro 4s Adapter FMA Part Number: **CP-CS**

Last Updated: April 17, 2007

Currently the CP-CS adapter is known to support the following brands of Lithium batteries for R/C

1. **CommonSense RC**

This adapter support Common Sense RC batteries prior to their v2 series only

2. **DN Power**

Can be connected to the CP-CS without using the DN Power-supplied polarity reversing adapter.
